## Full Synthetic Motor Oil

- **Maximum protection and engine cleanliness**
- **Outperforms conventional motor oil**
- **Exceeds API SP service classification**
- **Helps improve fuel economy**

**Tiger's Head Full Synthetic Motor Oils** are premium quality multi-grade motor oils formulated from selected superior base oils and advance high performance engine oil additive technology. They are fully licensed to meet or exceed the latest American Petroleum Institute SP service classification for use in passenger car, vans, sports utility vehicles, light duty trucks, powerboats, motorcycles and other mobile and stationary equipment where engine life and performance are important. Tiger's Head Full Synthetic Motor Oils outperform conventional motor oils and are designed especially for turbo-charged and high RPM engines which experience high heat. Tiger's Head Full Synthetic Motor Oils are formulated with low friction additives to help improve fuel economy and provide quick flow to critical parts at start-up to reduce wear.

Tiger's Head Full Synthetic 5W-20, 5W-30 and 10W-30 motor oils meet or exceed ILSAC GF-6A and American Petroleum Institute API Resource Conserving SP service classifications have been field tested to be comparable to American, European and Japanese manufacturers' standards: Ford WSS-M2C930A and WSS-M2C945A (5W-20), and WSS-M2C929A and WSS-M2C946A (5W-30); Chrysler MS 6395, dexos, and GM 6094M and other specifications where a full synthetic API SP motor oil is recommended.

**0W-20 / 0W-30 / 5W-20 / 5W-30 / 5W-40 / 10W-30**

Available in: Quarts, Gallons, 5-Quarts, 5-Gallon Pails, 6-Gallon Eco Box, 55-Gallon Drums and Bulk

uncompromising extreme protection

## Full Synthetic Motor Oil

- Maximum full synthetic dexos1™ GEN 3 protection
- Exceeds ILSAC GF-6A / API SP service
- Outperforms conventional motor oil
- Helps improve fuel economy

**Tiger's Head dexos1™ GEN 3 Full Synthetic Motor Oils** are premium multi-grade motor oils formulated from select low-friction, full synthetic base stocks and an advanced technology additive system licensed by General Motors to meet their Global Engine Oil Specification. They provide excellent oxidation stability, superior resistance to sludge formation and varnish deposits, reduces friction and wear at start-up and provide maximum protection. Tiger's Head dexos1™ GEN 3 Full Synthetic Motor Oils are recommended for turbo-charged and high-powered passenger car, light duty truck, sport utility vehicle and other mobile and stationary engines. They outperforms conventional motor oil and help improve fuel economy.

Tiger's Head dexos1™ GEN 3 Full Synthetic SAE 0W-20, 5W-20 and 5W-30 motor oils meet or exceed stringent GM dexos1™ GEN 3 requirements, ILSAC GF-6A, and American Petroleum Institute (API) Resource Conserving SP service classification and have been field tested to be comparable to American, European and Japanese manufacturers' standards: Ford WSS-M2C929A and WSS-M2C946A (5W-30); Chrysler MS 6395, dexos, and GM 6094M and other specifications where a full synthetic API SP motor oil is recommended.

MADE IN  
THE U.S.A.

**0W-20 / 5W-20 / 5W-30**

Available in: Quarts, Gallons, 5-Quarts, 5-Gallon Pails, 6-Gallon Eco Box, 55-Gallon Drums and Bulk

## Synthetic Blend Motor Oil

- Exceeds API SP service classification
- Excellent cold-crank capabilities
- Outperforms conventional motor oil
- Helps improve fuel economy

**Tiger's Head Synthetic Blend Motor Oils** are premium quality multi-grade motor oil designed for superior engine protection even under the toughest driving conditions. They are blended from quality lube base stocks and a state-of-the-art low friction additive system designed for all weather conditions. Tiger's Head Synthetic Blend Motor Oils outperforms conventional motor oil, reduces friction and wear at start-up and protects your engine against performance robbing sludge and varnish deposits to help improve fuel economy. Tiger's Head Synthetic Blend Motor Oil is recommended for passenger car, truck, sport utility vehicle and other mobile or stationary engines.

Tiger's Head Synthetic Blend 5W-20, 5W-30 and 10W-30 motor oils meet or exceed ILSAC GF-6A and American Petroleum Institute API Resource Conserving SP service classification and have been field tested to be comparable to American, European and Japanese manufacturers' standards: Chrysler MS 6395, Ford WSS-M2C930A and WSS-M2C945A (5W-20), and WSS-M2C929A and WSS-M2C946A (5W-30); and GM 6094M and other specifications where a premium API SP synthetic blend motor oil is recommended.

**5W-20 / 5W-30 / 10W-30 / 10W-40 / 20W-50**

Available in: Quarts, Gallons, 5-Quarts, 5-Gallon Pails, 6-Gallon Eco Box, 55-Gallon Drums and Bulk

## Heavy Duty Motor Oil

- Superior synthetic blend protection
- Helps optimize fuel economy
- Excellent cold-crank capabilities
- TBN Retention Technology

**Tiger's Head Heavy Duty Motor Oils** are formulated to provide excellent service in naturally aspirated, turbocharged, or supercharged diesel, gasoline and propane engines used in cars, trucks, off-road vehicles, farm equipment, heavy construction equipment and other mobile and stationary engines.

Tiger's Head Heavy Duty Synthetic Blend Motor Oils are fully licensed to meet or exceed the American Petroleum Institute CK-4 / SN service classifications and all prior API specifications as well as the performance requirements for Mack EO-M Plus, Cummins CES 20078, Volvo VDS / VDS-2, Caterpillar ECF-1, Detroit Diesel PGOS 93K218 and Volvo VDS-4, and power shift transmissions specifying Allison C-3 / C-4, and CAT TO-2 and other specifications where a premium heavy duty synthetic blend motor oil is recommended.

### 15W-40 / 20W-50 / 25W-60

Available in: Quarts, Gallons, 5-Quarts, 5-Gallon Pails, 6-Gallon Eco Box, 55-Gallon Drums and Bulk

## Gear Oil

**Tiger's Head GL-1 Gear Oils** are general-purpose pure mineral oil lubricant recommended for use in a broad range of light-duty industrial, automotive, farm and off-highway applications. It has good film strength for wear protection, good oxidation resistance to help minimize deposit formation and good foam resistance. Tiger's Head GL-1 Gear Oils are suitable for use in manual transmissions, transfer cases and rear axle assemblies used in truck, tractor, gear driven equipment and other applications that require an API GL-1 service classification gear oil.

Available in: Quarts, Gallons, 5-Quarts, Pails, Drums and Bulk

## Automatic Transmission Fluid

**Tiger's Head Premium ATF-III Automatic Transmission Fluid** is a multi-purpose fluid, blended from selected, highly refined base stocks and advanced additives. It is recommended for transmission systems, hydraulic systems, and power steering units manufactured worldwide requiring performance standards of ATF-III type fluids / DEXRON®-III (H), DEXRON®-III, DEXRON®-IIE, DEXRON®, MERCON®, Ford ESP-M2C138-CJ, Ford ESP-M2C166-H or Type A Suffix A, Allison C-3/C-4, or Caterpillar TO-2 fluids. ATF-III is not recommended for use in transmissions requiring GM DEXRON®-VI, Ford MERCON®-V and MERCON® SP fluids.

Available in: Quarts, Gallons, 5-Quarts, 5-Gallon Pails, 55-Gallon Drums and Bulk

**Tiger's Head DEXRON®-VI Automatic Transmission Fluid** is an advanced ATF fluid approved for use in pass and light truck automatic transmissions that require a General Motors DEXRON®VI or earlier generation DEXRON fluid. It provides extreme protection, oxidation control, excellent low temperature and superior shear stability performance and offers consistent shift performance for the life of the fluid. It is particularly recommended for use in GM 6-speed automatic transmissions, and is fully backwards compatible with older GM automatic transmissions.

Available in: Quarts, Gallons, 5-Quarts, 5-Gallon Pails, 55-Gallon Drums and Bulk

# uncompromising extreme protection

US Global Petroleum is a U.S. based manufacturer and global distributor of quality lubricants and technical fluids for passenger and commercial vehicles as well as industrial applications. We are Certified ISO 9001, ISO 14001, and ISO 45001.

US Global Petroleum is a manufacturer and a global distributor of API licensed quality lubricants, hydraulics and chemicals. We expanded in 2011 by acquiring the Conoco Phillips plant in Franklin Park, Illinois, and since have enjoyed rapid business growth.

Today, US Global annually delivers more than 20 million liters of finished product blended under precise supervision and quality control of US Global chemists and engineers. Our customers are wholesale automotive aftermarket distributors, retail chains, gas stations and government agencies that demand the best value from a reliable long-term business partner.

We offer the most competitive manufacturing prices and uncompromised "made in the USA" quality and service. We continuously develop a knowledge base for our customers to help them understand the latest technology trends in the industry. We sell more than oil - we offer ongoing customer support and build strong business relationships to grow our business together with our customers.

Our vision is to be a true partner to our customers and suppliers alike. So let us know how we can help you with your business, because your success is our success.

We welcome our business partners to tour our plant. Please contact the US Global sales team to schedule your visit.

## MANUFACTURER SITE:

- 5.9 acres of manufacturing, warehousing, tank farm, logistics operations

## TANK STORAGE:

- Outside tank capacity of 900,000 gallons
- Inside tank capacity of 100,000 gallons.

## AVAILABLE PACKAGE:

- 1 U.S. Quart Bottle (~1 L)
- 1 U.S. Gallon Canister (~ 4 L)
- 5 U.S. Quart Canister (~5 L)
- 5 U.S. Gallon Pail (~19 L)
- 6 U.S. Gallon Eco Box (~22 L)
- 55 U.S. Gallon Drum (~208 L)
- 275/330 U.S. Gallon Tote (~ 1000/1250 L)
- Bulk - 6280 U.S. Gallon FLEXI Tank

- Full Synthetic Motor Oil
- Synthetic Blend Motor Oil
- Heavy Duty Motor Oil
- Automatic Transmission Fluid
- Gear Oil
- Grease
- Tractor Hydraulic HT Fluid
- AW Hydraulic Oil
- and more

## PETROLEUM

### ISO 9001 Oil Manufacturer

#### Global Distribution

US Global Petroleum is a U.S. based certified ISO 9001 oil manufacturer and a global distributor of API licensed quality lubricants, hydraulics and chemicals for passenger car, commercial vehicles and industrial applications.

#### Winner 2021 Awarded 2nd Place - AutomotiveTech

International Trade Council's Annual Go Global Awards

*"Winning an Award is no small feat. We received a total of 6416 entries, coming from organizations in 178 countries.*

*... We are humbled by organizations such as US Global Petroleum who, in the face of a global pandemic, have displayed leadership, resilience and innovation, while embracing change and supporting their employees and communities in a way never seen before."*

— Kristal Parcon, head of the Awards Committee

#### API Certified

API's Service Symbol and Certification Mark identify quality engine oils for gasoline and diesel-powered vehicles that meet the performance requirements set by U.S. and international vehicle and engine manufacturers and the lubricant industry.

#### PASSENGER CARS

Engine Oil  
Transmission Oil  
Antifreeze  
Automotive Chemicals

#### HEAVY-DUTY FLEET

Heavy-Duty Engine Oil  
HD Transmission Oil  
HD Antifreeze

#### INDUSTRY

Gear oils  
Greases  
Hydraulic Oil  
Military Oil  
Tractor Oil
