**Engine Oil**

Dear Mr. Mohammad,

Analysis of the engine oil

**Everest Full Synthetic Motor Oil SAE 5W-40 (Oil-Code: LBB 14729-I)**

has shown that product in question meets the requirements in accordance with VW Standard 502 00 and VW Standard 505 00. This engine oil is therefore suitable for use in our petrol and diesel engines, including engines with turbochargers, in accordance with the Owner's Literature for our products.

So that it is clear to both customers and workshops that this approval has been granted, containers should state:

**"approved under VW Standard 502 00 and VW Standard 505 00"**

Please note that this approval expires after 36 months, at which point compliance with the then valid VW standards must be verified again.

Yours sincerely,

  
Dr. Elfrath

  
Dr. Kossmehl

We are pointing out that this letter only addresses whether product reviewed meets the VW standards. We do not address or express any view on compliance with national chemical inventories, the marketability in any sales market or the compliance with local chemical substances laws or other

**MB-Approval Certificate**  
New Approval - Engine Oil

**MB-Approval 229.3 for: "Everest Full Synthetic Motor Oil SAE 5W-40"**  
Oil-Code: LBB 14729-I, SAE-Grade: 5W-40  
Reblend to LBB 14729-I with Oil-Code: LBB 14729-I, AFTON Chemical GmbH

Dear Sir or Madam,

The aforementioned operating fluid complies with the requirements of the Mercedes-Benz Specifications for Operating Fluids, sheet 229.3 and is therefore approved for the respective Mercedes-Benz vehicles and assemblies. The application range is shown on the MB sheet and further defined on the sheet 223.2. Further requirements, e.g. SAE grades, capacities, change intervals etc. must also be observed.

The following regulations apply for the MB-Approval:

- The MB-Approval comes into force on the date shown on this certificate
- The MB-Approval will expire in 5 years at the latest
- The MB-Approval automatically terminates on expiry of the validity period at the latest
- The MB-Approval is only valid as long as the product name is listed in MB BeVo-ONLINE <http://bevo.mercedes-benz.com>
- Applications for renewals or new approvals etc. must be made in good time
- In addition, the regulations laid down in the "Obligations Regarding Approval for Operating Fluids" contract signed on 11.02.2016 apply.

A 2-liter back-up sample of each formulation, which can be called upon by Daimler AG at any given moment, must be retained for at least 3 years. We will inform you of the dispatch address.

Sincerely  
Daimler AG

  
i.V. Fritz Kreitmann

  
i.V. Dr. Oliver Storz
